ENRICO NICOLAS CUENCA

Data Analyst

📞 415-632-8351   ✉ princedarkly@proton.me   📍 Union City, CA 94587

SKILLS

- **SQL**: MySQL, PostgreSQL
- **Excel**: PivotTables, XLookup, Visualizations
- **Tableau**
- **PowerBI**
- **Python**: Pandas, Jupyter, MatPlotLib, BeautifulSoup

PORTFOLIO   **[Portfolio Website]**

SQL / Python | 2025
Exploratory Data and Cleaning, Web Scraping
- Utilized MySQL, Pandas to clean and standardize large datasets: null values, errors, etc.
- Utilized various advanced MySQL commands to explore data and view correlations
- MatPlotLib in Pandas to create initial visualizations, finding trends and outliers.
- BeautifulSoup in Python to scrape web data, create custom tables, and export to CSV

Tableau / PowerBi | 2025
Visualizations and Trend Analysis
- Created Tableau dashboards to visualize AirBNB average rates per bedroom by location
- Utilized PowerBI power query to refine data, and visualized video game sales up to 2020
- Discovered correlations with life factors on depression, anxiety: visualized with Tableau

Excel | 2025
Data Cleaning, PivotTables, Dashboard
- Performed advanced Excel functions to clean, organize, and standardize large dataset.
- Utilized PivotTables to specify data, and dashboard visualizations with charts and slicers.

WORK EXPERIENCE

Hilton | 2024-2025
Night Auditor
- Organized nightly financial audits and reported accurate data to supervisors
- Cleaned, corrected, and explored hotel revenue and general activity for the day
- Maintained all computer equipment and software protocols for proper functionality

GMA-7 Network | 2016-2022
Talent
- Performed on-camera for various television programs including drama and news reports
- Collaborated in the creative process: scriptwriting, filmmaking, and overall presentation

EDUCATION

Certifications
ATA Data Analyst Bootcamp
Google Professional Data Analytics

CSU Long Beach | 2010-2015
Bachelor of Arts: Electronic Media
